Entry form has to contain: name, club, transmitter frequency (channel), FAI licence number, extra lunches order (number)

Entry fee: seniors 25 €, juniors 12 €

Deadline for the entry forms: 7th August 2012

Scoring: we plan to fly 8 rounds including 1 dropped out flight (the worst scored flight). If we do not manage to fly 8 rounds, none flight is going to be dropped out. The score of these flights will decide the total result.

Protests: 20 € in written, refundable If protest is upheld.

Awards: awards given by sponsors will be given to top 3 seniors and 3 juniors.

Expenses: all expenses connected with the participation at this competition are paid by Competitor

Catering: in the entry fee, the lunch for pilots on Saturday and Sunday on the airfield is included. In the entry form, it is possible to express an interest in extra lunches. Furthermore, buffet will be placed at the field.

Accommodation: recommended facility is Hotel Metal Dubnica n/V ***

The organizer has the right to modify the time schedule during the competition because of unexpected conditions and situations.

Explanation:

**) Slovak amendment is not following paragraph „h“ in specification Appendix A, point 1 (so it means it is possible to restart the motor during the competition flight in order to save the model with 0 score awarded for the flight)*

****) Zero round with 3 minutes working time is a test for all pilots and organizers to simulate the competition flight, settings and functions of altimeters (height recorders – time limiters).*

****) Individual accommodation reservation is available at: <http://www.hotelmetal.sk>*
